

Center Celebration 2019

Since our founding, the Center for NYC Neighborhoods has served and uplifted communities and neighborhoods by protecting and preserving affordable homeownership. We have helped over 74,000 homeowners across New York secure their homes, sustain their communities, and rebuild hope for their families.

Join us for a special evening as we honor the supporters, partners, and allies who have made our work possible. We have so many champions to celebrate, and so much more to look forward to in our next decade. Protecting affordable homeownership will require change on a systemic level, and we want to be there for New Yorkers every step of the way.
